

# Volume 47 1991

No. 1 1-56 published May 1991  
 No. 2 57-118 published July 1991  
 No. 3 119-188 published August 1991

- Armstrong JB → Smith SC 129  
 Baldwin HS, Jensen KL, Solursh M: Myogenic cytodifferentiation of the precardiac mesoderm in the rat 163  
 Bolund L → Jensen PKA et al. 37  
 Carrette MJM, Lane E, Ferguson MWJ: Differentiation of mouse embryonic palatal epithelium in culture: selective cytokeratin expression distinguishes between oral, medial edge and nasal epithelial cells 149  
 Chouraqi J → Weniger J-P et al. 57  
 Conti CJ → Reiners JJ Jr et al. 69  
 Coukell MB → Tsang A et al. 1  
 Courtois Y → Tréton JA et al. 143  
 Curtis PJ → Ma X et al. 135  
 Darmon M → Maden M et al. 49  
 Darmon M → Regnier M 173  
 Desvages G → Dorizzi M et al. 9  
 Dorizzi M, Mignot T-M, Guichard A, Desvages G, Pieau C: Involvement of oestrogen in sexual differentiation of gonads as a function of temperature in turtles 9  
 Ferguson MWJ → Carrette MJM et al. 149  
 Fey SJ → Jensen PKA et al. 37  
 Franke WW → Koch PJ et al. 29  
 Fraser P → Ma X et al. 135  
 Goldschmidt MD → Koch PJ et al. 29  
 Griffith CM, Sanders EJ: Effects of extracellular matrix components on the differentiation of chick embryo tail bud mesenchyme in culture 61  
 Grunwald GB → Lagunowich LA 19  
 Guichard A → Dorizzi M et al. 9  
 Hara E → Hasegawa T et al. 107  
 Hasegawa T, Hara E, Takehana K, Nakada S, Oda K, Kawata M, Kimura H, Sekiya S: A transient decrease in *N-myc* expression and its biological role during differentiation of human embryonal carcinoma cells 107  
 Heimann P, Laage S, Jockusch H: Defect of sperm assembly in a neurological mutant of the mouse, wobbler (WR) 77  
 Hultgårdh-Nilsson A, Krondahl U, Querol-Ferrer V, Ringertz NR: Differences in growth factor response in smooth muscle cells isolated from adult and neonatal rat arteries 99  
 Jacquemin E → Tréton JA et al. 143  
 Jeanny J-C → Tréton JA et al. 143  
 Jensen KL → Baldwin HS et al. 163  
 Jensen PKA, Fey SJ, Larsen PM, Nørgård JOR, Bolund L: Morphological differentiation and changes in polypeptide synthesis pattern during regeneration of human epidermal tissue developed in vitro 37  
 Jockusch H → Heimann P et al. 77  
 Kawata M → Hasegawa T et al. 107  
 Kent G → Tsang A et al. 1  
 Kimura H → Hasegawa T et al. 107  
 Koch PJ, Goldschmidt MD, Walsh MJ, Zimbelmann R, Schmelz M, Franke WW: Amino acid sequence of bovine muzzle epithelial desmocollin derived from cloned cDNA: A novel subtype of desmosomal cadherins 29  
 Krondahl U → Hultgårdh-Nilsson A et al. 99  
 Laage S → Heimann P et al. 77  
 Lackie PM, Zuber C, Roth J: Expression of polysialylated N-CAM during rat heart development 85  
 Lagunowich LA, Grunwald GB: Tissue and age-specificity of post-translational modifications of N-cadherin during chick embryo development 19  
 Lane E → Carrette MJM et al. 149  
 Larsen PM → Jensen PKA et al. 37  
 Leitz T, Wirth A: Vanadate, known to interfere with signal transduction, induces metamorphosis in *Hydractinia* (Coelenterata; Hydrozoa) and causes profound alterations of the larval and postmetamorphic body pattern 119  
 Ma X, Fraser P, Curtis PJ: A differentiation stage-specific factor interacts with mouse carbonic anhydrase form I gene and a conserved sequence in mammalian  $\beta$ -globin genes 135  
 Maden M, Summerbell D, Maignan J, Darmon M, Shroot B: The respecification of limb pattern by new synthetic retinoids and their interaction with cellular retinoic acid-binding protein 49  
 Maignan J → Maden M et al. 49  
 Mignot T-M → Dorizzi M et al. 9  
 Nakada S → Hasegawa T et al. 107  
 Nørgård JOR → Jensen PKA et al. 37  
 Oda K → Hasegawa T et al. 107  
 Pieau C → Dorizzi M et al. 9  
 Querol-Ferrer V → Hultgårdh-Nilsson A et al. 99  
 Regnier M, Darmon M: 1,25-Dihydroxyvitamin D<sup>3</sup> stimulates specifically the last steps of epidermal differentiation of cultured human keratinocytes 173  
 Reiners JJ Jr, Rupp T, Conti CJ: Modulation of xanthine dehydrogenase and oxidase activities during the hormonal induction of vaginal epithelial differentiation in ovariectomized mice 69  
 Ringertz NR → Hultgårdh-Nilsson A et al. 99  
 Roth J → Lackie PM et al. 85  
 Rupp T → Reiners JJ Jr et al. 69  
 Sanders EJ → Griffith CM 61  
 Schmelz M → Koch PJ et al. 29  
 Sekiya S → Hasegawa T et al. 107  
 Shroot B → Maden M et al. 49  
 Smith SC, Armstrong JB: Heart development in normal and cardiac-lethal mutant aolots: a model for the control of vertebrate cardiogenesis 129  
 Solursh M → Baldwin HS et al. 163  
 Summerbell D → Maden M et al. 49  
 Takehana K → Hasegawa T et al. 107  
 Tréton JA, Jacquemin E, Courtois Y, Jeanny J-C: Differential localization by in situ hybridization of specific crystallin transcripts during mouse lens development 143  
 Tsang A, Kent G, Coukell MB: Biochemical and genetic characterization of a rapid-development strain in *Dictyostelium discoideum* 1  
 Walsh MJ → Koch PJ et al. 29  
 Weniger J-P, Chouraqi J, Zeis A: Effect of partial decapitation (hypophysectomy) on 17  $\beta$ -estradiol secretion by the chick embryo ovary 57  
 Wirth A → Leitz T 119  
 Zeis A → Weniger J-P et al. 57  
 Zimbelmann R → Koch PJ et al. 29  
 Zuber C → Lackie PM et al. 85
